SUMMARY

Motivated and detail-oriented Web Developer with strong foundational knowledge in HTML, CSS, JavaScript, and modern frameworks like React.js. Recently completed hands-on projects involving responsive web design, RESTful API integration, and front-end development using tools like Vite, Tailwind CSS, and Git. Adept at problem-solving and passionate about building user-centric, accessible web applications. Eager to contribute to a dynamic development team and grow as a full-stack developer in a challenging and collaborative environment.

EDUCATION

- **Higher Secondary – Bidyarthi Bhavan Girls High School, 2018**
- **Bachelor of Arts (B.A.) – Burdwan University, 2021**
- **Completed Full Stack Web Development Course, 2023**
- **MERN Stack Web Development Course (2023–24)**
- **UI-UX Design (2025 ongoing)**

Projects

Travel Website

- Designed and developed a responsive and visually appealing travel website using HTML, CSS, and Bootstrap 5. Implemented a mobile-first layout to ensure seamless user experience across devices—structured multiple sections including destination highlights, booking options, testimonials, and a contact form.

Youtube-Subscriber-Backend

- Developed a backend system to manage YouTube subscriber data using Node.js and MongoDB. Designed RESTful APIs to perform CRUD operations, including creating, retrieving, updating, and deleting subscriber records. Used Express.js to structure the server and manage routing. Integrated MongoDB for efficient data storage and retrieval.

Doctor-Appointment

- Developed a dynamic and interactive doctor appointment booking system using JavaScript, Redux Toolkit, Context API, Tailwind CSS, and Material UI. Implemented user authentication, role-based access (patients and doctors), and real-time form validation for appointment scheduling. Managed global state efficiently using Redux Toolkit.

LANGUAGES, SKILLS, AND CERTIFICATES

- **FrontEnd:** HTML, CSS, JavaScript, React
- **Databases:** MongoDB, MySQL
- **Tools:** Git, Bootstrap
- **Languages:** Bengali (native or advanced proficiency), English (intermediate proficiency), Hindi (intermediate proficiency)
- **Certifications:** TCS-Ion Career Edge-Young Professional
